- The Most Comfortable Tactical Helmet Designed for various operations*

- Impact Resistant, dispersing force from collisions and debris. Ideal for tactical defence against falls, shrapnel, and blunt force trauma.*

** MODULAR COMBAT-READY DESIGN: Customize for any mission! Webbing attaches Lights, comms, or NVG mounts. Removable rails support Gore/action cams. Chin strap Mount secures respirators adapts instantly to survival drills.*

**SECURE ALL-DAY COMFORT: Forget helmet fatigue! Adjustable nylon straps + foam Padding creates a snug fit for hours.*

**AUTHENTIC TACTICAL PERFORMANCE: Built for realism! Multicam finish blends into field Operations. Compatible with ballistic goggles and comms headsets.*

CAUTION

This is not a bullet proof helmet but can still withstand significant impact and debris because of its sturdy design and compressed material.
